The Life of David series continues at Northcliffe

**Pastor
Jerry
Waugh**

For many people, David is one of their favorite Bible heroes. We love the “shepherd boy-becomes-King” kind of stories. Whose heart doesn’t beat faster when young David decides to rumble against the Philistine giant, Goliath? And the psalms that David composed read like a personal diary telling about God’s goodness and greatness, while at the same time, being real about humanity’s fear and frustrations.

But the Bible never over-flatters our heroes. It doesn’t ignore, deny, or overlook their human side. It shows them ... warts and all. I think there are parts of King David’s life we wish hadn’t received so much press. But God knows we need to see humanness just as we need to see holiness in our Bible heroes. We need the reminders from the stories in the Scriptures that no one is too young or ever gets too old to fall into a period of lifestyle sinning. The key to having a God-pleasing life is to please God with our life, one day at a time.

This month, we will continue our series on the life of David... seeing both the humanness and the holiness of the heart that followed hard after God.

STUDENT MINISTRY NEWS

August - oh what a joyful sound if you are a parent. The month of August means that your children will be returning to school soon. No longer will you have to wonder what they are doing with those eight hours each day. No more staying up until 4am and sleeping in until 3pm. The dates of structure and order are about to resume.

The first week of August 80 students and adults will be going to Student Life Camp at Palm Beach Atlantic University. This is the largest group we have taken to camp since my arrival in 2007. I am really excited about the theme this year - "Devoted". Our students will be challenged to be devoted to Christ and Christ alone.

I am so grateful for our AWESOME adult leaders! Words can not express how thankful I am for all our adult leaders who serve in our student ministry. Our ministry could not be what it is today without adults who care for and serve our students. I think we have some of the best adult leaders around! Thank you to all of you who take time each week to serve our students.

Awana is coming to Northcliffe!

On Wednesday, September 7, at 6:30, we will begin Awana Clubs.

What is Awana? I'm glad you asked!

Awana helps churches and parents work together to develop spiritually strong children and youth who faithfully follow Jesus Christ. The programs offer a proven approach for evangelizing and discipling kids in the church and community. Awana features fun and flexible Scripture-based programs that build upon one another from age 2 through high school. Northcliffe will offer Awana for ages 2 through 5th grade.

What are the results of an Awana program? A recent national survey found Awana to be as important to the spiritual foundation of adults who took part in Awana as all other church activities combined. Among alumni who participated in Awana for at least six years, and whose parents were involved in their spiritual growth, 92.7 percent still attend church at least weekly as adults.

Awana weekly programs emphasize biblical teaching that targets the specific needs of kids at each level of spiritual development. Awana aims to equip parents and churches with the tools to lead children to salvation in Christ. Awana also works with the church and families to root kids in a solid, Bible-based worldview that guides them throughout life's circumstances and challenges. Curriculum books and teachers' resources for each age level help young people understand and apply the truths of Scripture to their lives.

This Bible-centered teaching and Scripture memorization take place in an atmosphere of fun and excitement that keeps church and non-church kids coming back week after week, often with friends in tow.

Every week the groups have an opening ceremony, game time, small group time, large group time and a closing time. The gospel is always the main focus of Awana Clubs in every aspect of the groups.

For more information or to become involved, please contact Darlene Hurst at 352-683-5882.
