

Our Story

We are women from all stages of life who are on a journey of being transformed by the Gospel of Christ and making an impact on our world. Our desire is to reach women with God's life-changing love, connect them to God and each other, equip them for spiritual growth, and give them opportunities to serve God and others in our church and community.

"So Jesus called them together and said, "You know that the rulers in this world lord it over their people, and officials flaunt their authority over those under them. But among you it will be different. Whoever wants to be a leader among you must be your servant, and whoever wants to be first among you must be the slave of everyone else. For even the Son of Man came not to be served but to serve others and to give his life as a ransom for many."
