

Northcliffe Church Family,

As you may have heard, this evening the state of Florida instructed all public schools to close until March 30. This is being done with an abundance of caution to try to mitigate spread of COVID-19. Additionally, the CDC has issued guidelines for the state of Florida recommending that faith-based organizations cancel all gatherings of 250 people or more.

Therefore, Northcliffe is moving all of our [church services online](#) for the remainder of March.

The Bible teaches that we should honor those in authority over us and to do everything we can to help those who are vulnerable. We want to be good neighbors to our community, and if that means suspending face-to-face services, we willingly embrace this change for the common good.

We have long stated that the church isn't a building. As followers of Jesus Christ, we are to be active in our community and engage people where they are. Now, more than ever, we should embrace this call.

Many people are feeling anxious. Use this time as an opportunity to point people to the love and peace found through a relationship with Jesus. Invite friends and neighbors into your home to worship with you and discuss it together.

This Sunday, we will be gathering online live at 9 a.m. with a time of worship led by our praise band and a timely message for all of us as we face these uncertain times. We will also post the service for those who miss it live.

During this season in the life of our church, please remember that Northcliffe still has bills to pay. We want to encourage everyone to continue worshipping God through giving, even during this time when we will not be meeting in person. We have [online and texting options](#) for you or you can mail your gift to the church.

We might not be gathering physically, but we can't wait to gather with you at church online this weekend as we worship together, pray together, and give generously.

We love you and are praying for you. See you soon!

Join us from your house this Sunday morning using this link: <http://www.Northcliffe.TV>
